TC 400SDWH/AN SOLID DOOR COOLER

Solid door background cooler, a domestically manufactured success product with a 400-liter capacity that can be divided into 5 shelves. Ventilation cooling ensures uniform internal temperature, which can be altered with a digital thermostat and monitored on a digital display. It is available in white or anthracite color with a plastic-coated steel exterior and gray plastic-coated steel interior. Adjustable feet facilitate leveling of these excellent value-for-money appliances. Available in white and anthracite colors. Cooling specifications are based on 60% air humidity and a 25°C ambient temperature; performance may vary under different conditions!

The cooling data provided is valid in case of 60% humidity and 25°C ambient temperature. Other values may modify cooling capacity of the product!
